PLANSCAPE
Building Community Through Planning
WHAT IS A ZONING BY-LAW

- Implements the policies of the Township’s Official Plan
- The Township’s way to legally regulate the use and development of land in the Township
- The By-law states:
  - How land can be used
  - Types of buildings and structures permitted
  - Where buildings and structures can be located
  - Standards for development including lot sizes, building height and setbacks from property lines, accessory structures such as docks, amongst other matters
WHY REVIEW THE ZONING BY-LAW

➢ Current Zoning By-law Passed in 2007

➢ Implement the Township’s new Updated Official Plan policies as a result of the Official Plan Update approved through Official Plan Amendment No. 61 on December 22, 2018

➢ Requirement of the Planning Act

➢ Reflect changes to the planning framework and nature of development in Ontario
  ➢ Strong Communities through Affordable Housing Act, 2011
  ➢ Provincial Policy Statement, 2014
  ➢ Green Energy Repeal Act, 2018
  ➢ More Homes, More Choices Act, 2019

➢ Address issues identified in the implementation of the Zoning By-law over the years
OBJECTIVES FOR THE REVIEW PROCESS

1. Consistency with Provincial Policy Statement
2. Implement new Provincial Legislation
3. Implement and build upon policies of Township’s Updated Official Plan
4. Reflect aspirations of the Township’s residents
5. Incorporate best zoning practices
6. Easily administered by staff
7. Easily understood by residents and Council alike
FOUNDATION OF A GOOD ZONING BY-LAW

- Clear and Understandable
- Public Input
- Accurate Mapping
- Enforceable
- Conformity to Official Plan
- Early Consultation = Early Dispute Resolution

ZONING BY-LAW
## Current Zoning By-Law Structure

# Current Zoning By-law Structure

| Section 20 | Environmentally Sensitive Two (ES2) Zone  
- Identified Provincially Significant Wetlands |
|------------|----------------------------------------------------------------------------------|
| Section 21 | Existing Use (EU) Zone  
- Permitted uses are restricted to those existing at the date of the By-law passage, 2007 |
| Section 22 | Community Facility (CF) Zone  
- Properties containing facilities that service the community, such as community centre, parks, etc |
| Section 23 | Pit and Quarry (PQ) Zone  
- Licensed Pits and Quarries on private land |
| Section 24 | Waste Disposal (WD) Zone  
- Waste Disposal sites |
| Section 25 | Enactment |
REVISIONS FOR CONSIDERATION

SHORELINE RESIDENTIAL LOT COVERAGE

Existing Requirements

- Less than 0.44 acres = 7.5%
- 0.44 to 4 acres = 1,500 sqft plus 3% of lot area (10.8% to 3.9%)
- 4 acres to 8 acres = 6,725 sqft plus 1% of lot area over 4 acres (3.9% to 2.4%)
- 8 acres to 8.5 acres = 8,475 sqft plus .5% of lot area over 8 acres (2.4% to 2.3%)
- Greater than 8.5 acres = 8,611 sqft (2.3% to declining)
- Ground floor area of all buildings, all roofed or covered structures, overhangs greater than 4 feet

Revisions for Consideration

- Eliminate sliding scale, and use one percentage?
- Increase or decrease?
- Differentiate between area of lot close to shoreline (60 metres)?
**REVISIONS FOR CONSIDERATION**

**SHORELINE RESIDENTIAL LOT COVERAGE**

*Comparisons*

| Township of Georgian Bay | Georgian Bay = 5% to 7%  
Inland Lakes = 5% to 10%  
In some zones based on area of lot within 60 m or 90 m of shoreline  
Includes roofed structures and decks greater than 1.2 metres above grade. |
|--------------------------|------------------------------------------------------------------|
| Township of Seguin       | Sliding scale based on frontage, ranging from 5% to 10%  
Based on area of lot within 60 metres of shoreline  
Includes roofed structures, overhangs beyond 1 metre and decks greater than 1.2 metres above grade |
| Township of Muskoka Lakes| 10%  
Based on area of lot within 61 metres of shoreline  
Includes roofed structures |
| Township of Tiny         | 25%  
Includes all buildings and structures |
REVISIONS FOR CONSIDERATION

SHORELINE RESIDENTIAL SETBACK FROM SHORELINE

Existing Requirements
- 7.5 metres
- Exception for decks attached to main dwelling, a boathouse or boatport, one sauna, one pumphouse, three marine railways and one marine storage facility.

Revisions for Consideration
- Should the setback requirement be increased?
- Should there be a different setback requirement for inland lakes?
- Should there be a different setback for road access lots and water access lots?
- Should additional or fewer structures be exempt?
REVISIONS FOR CONSIDERATION

SHORELINE RESIDENTIAL SETBACK FROM SHORELINE

GUIDE TO RESIDENTIAL YARD SETBACK REQUIREMENTS
FOR ‘IR’, ‘CR’, AND ‘GR’ ZONES

- Accessory Marine Storage Facility < 9 m² permitted in front yard setback
- Main dwelling 7.5 m front yard setback. Deck is permitted to encroach up to 3 m from highwater mark provided deck is < 2 m above final grade
- One Sauna < 10 m² permitted in front yard setback
- One pump house < 3 m² permitted in front yard setback
- 8 m side yard setback for docks
- Accessory structures 7.5 m setback from highwater mark, 6 m from side and rear lot lines
- Sleeping cabin
- Accessory building
- Rear lot line
- Side lot line
- Front yard setback
- Highwater mark
- Water edge

SHORELINE RESIDENTIAL SETBACK FROM SHORELINE

DETERMINING GEORGIAN BAY WATER SETBACKS
FOR BUILDINGS TO THE HIGHWATER MARK, AND FOR BUILDINGS OF HUMAN HABITATION, TO THE FLOODPLAIN ELEVATION
# Revisions for Consideration

## Shoreline Residential Setback from Shoreline

### Comparisons

| Township of Georgian Bay | 20 metres  
30 metres for “family compound” lots. Measured from 177.4 m contour on Georgian Bay  
Boathouses, boatports, docks, pumphouse, gazebo, inclinator, free-standing deck, and hot tub exempt. |
|--------------------------|--------------------------------------------------|
| Township of Seguin       | 20 metres  
Boathouses, boatports, docks, pumphouse, gazebo, inclinator, free-standing deck, attached decks, and sauna exempt. |
| Township of Muskoka Lakes| 20.1 metres  
30.5 metres for lake trout lakes at capacity  
15.2 metres or existing for developed already within setback.  
Boathouses, boatports, docks, pumphouse, gazebo, sauna and inclinator exempt. |
| Township of Tiny         | 45 metres on Georgian Bay measured from 178.0 metre contour  
Boathouses, boatports, docks, and reduced setback for other accessory structures |
REVISIONS FOR CONSIDERATION

DWELLING SIZE

Existing Requirements
- Minimum Ground Floor Area: 40 sqm in Wards 5 & 6, 50 sqm in Wards 1, 2, 3 & 4.
- Maximum Ground Floor Area: 80% of lot coverage for lots greater than 1,800 sqm
- Maximum Total Floor Area: 300 sqm.

Revisions for Consideration
- Should there be a minimum dwelling size?
- If so, is the current size appropriate?
- Should there be a maximum dwelling size?
- If so, is the current size appropriate?
# Revisions for Consideration

## Dwelling Size

### Comparisons

<table>
<thead>
<tr>
<th>Township</th>
<th>Minimum</th>
<th>Maximum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Township of Georgian Bay</td>
<td>Minimum: None</td>
<td>Maximum: 200 sqm in Go Home Bay; 140 sqm or 25 sqm per 1,000 sqm lot area or 2 sqm per metre frontage to maximum of 325 sqm in Cognashene; 190 sqm for lot less than .4 ha and 5% of lot area to maximum of 275 sqm on Six Mile Lake; No maximum in other areas.</td>
</tr>
<tr>
<td>Township of Seguin</td>
<td>Minimum: 35 sqm</td>
<td>Maximum: 1.25 times permitted lot coverage to maximum of 700 sqm</td>
</tr>
<tr>
<td>Township of Muskoka Lakes</td>
<td>Minimum: 69.7 sqm</td>
<td>Maximum: 696.8 sqm</td>
</tr>
<tr>
<td>Township of Tiny</td>
<td>Minimum: 75 sqm of Ground Floor Area</td>
<td>Maximum: None</td>
</tr>
</tbody>
</table>
REVISIONS FOR CONSIDERATION

SLEEPING CABINS

Existing Requirements
- Wards 1 - 4: 3 cabins, 50.16 sqm (540 sqft) each
- Wards 5 & 6: 2 cabins, 40 sqm (430 sqft) each
- Cannot contain cooking facilities
- Minimum floor area of 10 sqm (107 sqft)
- Maximum height of 5 metres (16 ft)

Revisions for Consideration
- Should the number and size of sleeping cabins be reconsidered?
- Should the definition of “cooking facilities” be revised to permit a bbq and/or microwave?
- Should the number of sleeping cabins permitted be dependent on the size of the lot?
- Other areas for consideration?
## Revisions for Consideration

</table>
REVISIONS FOR CONSIDERATION

ACCESSORY BUILDINGS

Existing Requirements

- Floor area not to exceed floor area of dwelling on residential lot.
- Maximum number of three (3) on residential property, not including sleeping cabins, privy, marine storage facility, and pumphouse.
- Limited to one storey and 5 metres in height.

Revisions for Consideration

- Should a specific maximum size be considered?
- Should the number of accessory buildings permitted be increased?
- Should a separation distance between buildings be required?
- Should accessory buildings be permitted at 2 storeys in height?
## REVISIONS FOR CONSIDERATION

### ACCESSORY BUILDINGS

**Comparisons**

REVISIONS FOR CONSIDERATION

BOATHOUSES AND BOATPORTS

Existing Requirements

- One Boathouse or Boatport per residential lot
- 0.8 ha of lot area, 100 metres of frontage
- No human habitation
- 10 metre sideyard setback
- 25% to maximum of 15 metres out into waterway
- Can project 3 metres inland
- One storey with no loft or attic and height of 4.5 metres from dock
- Maximum width 15 metres
- Total area occupied restricted to 120 sqm

Revisions for Consideration

- Are existing requirements appropriate?
- Should boathouses continue to be permitted?
REVISIONS FOR CONSIDERATION

GUIDE TO RESIDENTIAL BOATHOUSES AND BOATPORTS

MINIMUM LOT REQUIREMENTS
- SINGLE OWNERSHIP ISLAND: MINIMUM LOT AREA OF 8000m²
- LOTS: MINIMUM LOT AREA OF 8000m² AND 100m MINIMUM LOT FRONTAGE

Boathouses and Boatports
See 5.3 of the General Provisions of the Zoning By-law for the complete list of provisions.

Note:
- The boathouse or boatport cannot be used for human habitation
- Maximum building size of 120m²
- Construction of a boathouse or boatport will reduce your permitted docking sites by one
- The maximum number of boathouses or boatports permitted is one
- Approval from the MNRF may be required (i.e. land use permits, see Township website for more information)
- A building permit is required from the Township

Revisions for Consideration

Docks

All Residential Dock Requirements

- Where boathouse or boatport exists, docking sites reduced by one
- Docking sites must be 5 metres apart
- No single dock wider than 4 metres and finger docks must be greater than 2 metres apart
- Side yard setback of 6 metres, including straightline extension
- No docking envelope to project more than 25% of the distance across waterway
- Docking envelopes within ES and ES1 zone limited to 50 sqm
REVISIONS FOR CONSIDERATION

DOCKS

Existing Georgian Bay Requirements

- 2 dock sites per property less than 0.4 ha and less than 200 metres frontage
- 3 dock sites per property greater than 0.4 ha and more than 200 metres frontage
- Maximum width of 15 metres per dock site, with maximum cumulative width of 20 metres for properties permitted 2 docks and 30 metres for property permitted 3 docks
- Extend inland 3 metres
- No specific dock extension limitation
- One dock site, near shore portion no more than 6.5 metres wide by 15 metres along shore with maximum area of 70 sqm and not more than 10 metres into water. All other dock sites not to exceed 4 metres in width.
- Any other near shore portion not to exceed 4 metres wide and 7.5 metres along the shoreline.
GUIDE TO DOCKS ON GEORGIAN BAY
LOTS WITH A FRONTAGE GREATER THAN 200m

1. DOCKING AREAS ARE PERMITTED. THIS INCLUDES A BOATHOUSE IF CONSTRUCTED.
2. DOCKING SITES MUST BE LOCATED MORE THAN 5m AWAY FROM EACH OTHER.
3. THE CUMULATIVE WIDTH OF ALL DOCK SITES CANNOT EXCEED 30m (58').

A DOCKING ENVELOPE CANNOT EXTEND MORE THAN 25% ACROSS THE ADJACENT WATERWAY.
DOCKS

Existing Inland Lakes Requirements

- 2 dock sites per property
- Maximum cumulative width of 15 metres
- Maximum extension 20 metres
- Extend inland 3 metres
- One dock site, near shore portion no more than 6 metres in the water and 15 metres along shore with maximum area of 70 sqm. All other dock sites not to exceed 4 metres in width.
REVISIONS FOR CONSIDERATION

GUIDE TO DOCKS ON INLAND LAKES
ALL LOTS AND ISLANDS

TWO DOCKING AREAS ARE PERMITTED. THIS INCLUDES A BOATHOUSE IF CONSTRUCTED.
DOCKING SITES MUST BE LOCATED MORE THAN 5m AWAY FROM EACH OTHER.
MAXIMUM CUMULATIVE WIDTH OF TWO DOCKING AREAS IS 15m (49ft).

THE SIDE LOT LINE EXTENSION IS 25m.
REVISIONS FOR CONSIDERATION

LEGAL NON-COMPLYING DWELLINGS

Existing Requirements

- Reconstruction permitted
- Expansion of 50% to ground floor area and to width permitted
- Expansion no closer than existing non-complying setback
- If existing dwelling exceeds height, addition permitted at same height to maximum height of 9 metres, provided total floor area of addition does not exceed existing ground floor area
- Non-complying accessory buildings and structures cannot be enlarged
- Attached decks to dwelling may be enlarged by 50% provided not more than 2 metres above grade.

Revisions for Consideration

- Should a specific maximize size of expansion and/or minimum size of expansion be considered?
REVISIONS FOR CONSIDERATION

LEGAL NON-COMPLYING DWELLINGS
## Revisions for Consideration

### Legal Non-Complying Dwellings

*Comparisons*

| Township of Georgian Bay | Expansion permitted based on sliding scale related to setback  
Less than 10m: floor area 25%, width 20%, height 1m (max. 6m)  
10-15m: floor area 40%, width 30%, height 1.5m (max. 6m)  
15-20m: floor area 70%, width 60%, height 2m (max. 6m) |
| --- | --- |
| Township of Seguin | Expansion permitted based on sliding scale related to setback  
Less than 5m: floor area 23sqm, width 0%, height 1m  
5-10m: floor area 32.5sqm, width 20%, height 2m  
10-15m: floor area 46sqm, width 30%, height 2.5m  
15-20m: floor area 56sqm, width 60%, height 3m |
| Township of Muskoka Lakes | Less than 10.6 m: no increase  
10.6 - 15.2m: ground floor area 20%, height 20% |
| Township of Tiny | No increase permitted within required yard |
REVISIONS FOR CONSIDERATION

OTHER MATTERS FOR CONSIDERATION

- Establishment of provisions related to accessory dwelling units
- Increasing buildings and structures permitted at the shoreline
- Definition of High Water Mark for Georgian Bay
- Revising Home Occupation provisions
- Establishment of new residential zone to permit higher density of development in Pointe au Baril Station
- Permitting utility cabins on buildings separate from floor area
- Establishment of provisions related to green energy that were previously exempt
- Establishment of provisions related to cannabis production
- Establishment of provisions related to short term rentals
NEXT STEPS

- Review comments from the 3 Public Information Sessions being held this week
- Request comment sheets be submitted by September 15th
- Prepare Background Report
- Continue public consultation through stakeholder meetings, review of comment sheets, Deerhorn Conference, discussions, etc.
- Meet with Council to review Background Report and obtain direction
- Draft new Zoning By-law / Zoning By-law Amendment
- Additional Public Open House and Statutory Public Meeting to be held next summer to receive input on the proposed revisions to the Zoning By-law
TOWNSHIP OF THE ARCHIPELAGO
ZONING BY-LAW REVIEW
